Subject: Campus Placement | Apptunix | Mohali

Hi Sir,

It was a pleasure talking to you today!

As discussed, I am writing this email to express interest in setting up the recruitment session at our office for Punjabi University's 2018 pass-outs. We have vacancies for different domains such as **PHP, iOS, Android, Business Development, Business Analyst, Email Marketing, Digital Marketing** etc. Currently, we have 15 openings for the role but in case we find exceptional talent and participation, we could go up till 20 in number. Would it be possible for you to send the candidates to our Mohali office for the first round of interview?

For Jan 2019, I can set up a recruitment session at your university. Please feel free to share your thoughts.
